- 18 Delbert Lomax
- 18 Jeanette Morris
- 23 Serge Cadet
- 24 Deborah Shields
- 25 Rosetta Canada
- 30 Carolyn Williams
- 31 Sheila McGill

5 Things About: January

- January is the coldest month in the Northern Hemisphere and the hottest month in the Southern Hemisphere.
- Scholars say the name January derives from the Latin word for "door."
- With the exception of leap years, January begins on the same day of the week as October.
- The birth flower for the month is the carnation.
- The third Monday of January is recognized as Martin Luther King Jr. Day.
