Salute to Our Activities Director

Who is the individual whose creative thinking results in fun and entertaining events for our residents? Our activities director! This person develops the many activities that bring a smile to residents' faces. The details in planning such events, after all, are extremely cumbersome and time-consuming! And, of course, such activities are only a small part of our resident services manager's responsibilities. Let's give a hearty salute to our activities director for being such an inspiration in making residents' lives in our community so enjoyable!

Get Ready for Tax Time

April 18 will be here before you know it. Most people will have received their W-2s, 1099s and other tax information by now. This is a good time to gather all the documents you will need to complete your tax return, whether you plan to fill it out yourself or seek assistance. Go to www.IRS.gov if you have questions about filing.
